Hard Rock Sportsbook Rebrands in Anticipation of Florida Relaunch

The sportsbook at Hard Rock Cincinnati.

Same highly rated experience > ,

Now live in AZ, IN, OH, TN, VA and coming soon to NJ pic.

The racino and pari-mutuel cardroom were sister companies at the time, owned and operated by West Flagler Associates.

Relaunch Could Come Soon

Speaking of ports, the state does have one casino cruise ship that goes a few miles out into International waters and then operates a casino.

Okay, I guess I should end my rant and discuss your online gambling situation.

I guess Pokemon Cards for keepsies is out.

Most of these have focused on poker operations as well as illegal slot machines and, "Internet cafes," which have been a big problem through much of

the South.

You don't have to worry about being charged for being on one of these types of cruises.

As far as other forms of gambling are concerned, you guys are probably just lucky to have a lottery.

When I first started writing Young, Dumb, and NOT Broke?! I had no idea I was actually writing a book. In fact, what I thought I was doing at the time was simply making a bunch of blog posts that could eventually go on a website down the road.

Finally, I published it on Amazon and have been making buckets of money since right? Well, not quite.

This formula is pretty easy to understand with there only being one variable piece; the printing costs.

Since this article is all about transparency here is the breakdown for my book.

The bottom line is I lost money and I'm damn proud of it. This isn't a statement that I usually make but seriously, I learned more than I could have ever expected.

If you're doing this 100% alone, you are going to need to learn how to self motivate. You are going to have days where you don't want to work on the project. You will get stuck. This is where I think people will really get their return on investment. Learning how to push through and figuring out things through search engines like Google or YouTube is an important part of the process. Slowly you'll gain confidence and put out a great product.
